## NEWSLETTER FOR THE OCTOBER 11th 2022 GENERAL MEETING

Our next General meeting will be on **Tuesday October 11th** at Greythorn Community Hub at **10am – 12 Noon**.

This meeting will be conducted as a Hybrid Meeting (using the Logitech equipment and Zoom software), for those members who are away on holidays or unwell. If you wish to attend this function via Zoom, please contact **Rodney Manser** for an invitation.

At the conclusion of the formal business of the meeting, there will be a break for Morning Tea, followed by our speaker:

**Today's Speaker: – Graham O'Rourke –**

**'Macpherson Robertson** "The man who brought the Chocolate business to Australia?"

Born and raised in Middle Camberwell, Graham has not moved too far away from there over a lifetime – essentially to Wattle Park, then Surrey Hills.

His working life was in secondary education, teaching French, then Indonesian but above all, teaching a range of History courses from Year 9 - 12 at Xavier College, Kew, where he was Head of History and Head of Humanities at various moments in time.

For variation, he spent 3 years in Indonesia teaching English at a Teachers College – now University – in Yogyakarta, Central Java, and also did a year's exchange at Preshil in Kew.

Since finishing full-time work a decade ago, Graham has worked at Toscano's store in Kew 2 days a week – until the end of last year – and spent time as a research assistant for a writer of family and business histories. This has enabled him to develop a minor expertise in researching all sorts of local history resources and provided a stimulus to present some talks to U3A groups and local history associations.

He has been a volunteer tour guide at the State Library of Victoria since 2012 and this has led him to the topic of this talk.

- *Please note that Lunch will again be available at Kew Golf Club after the General meeting, thanks to Per.*

Individuals are no longer required to show their vaccination status before entering any venue and are also not required to check-in to any venue using the Service Victoria app. This includes the Council facilities where our club meets.

However, we suggest individuals wear a face mask if they feel they are at risk.

### **Next Meeting November 8th:**

**Speaker: - Ken Davis - "Melbourne's Suburban Signaling System"**

### **MESSAGE FROM OUR PRESIDENT:**

Queen Elizabeth II was laid to rest on 19<sup>th</sup> September following an impressive funeral service and procession. This is not the time to discuss the Australian monarchy, but we should not forget that King Charles III actually spent two terms of his schooling at Timbertop, Geelong Grammar's bush camp in 1966.

Christmas is getting close – we only have two General Meetings before Christmas and one in February prior to the AGM and Final General Meeting prior to the Changeover Lunch.

Summer is, apparently, on the way – daylight saving (clocks should have been put forward one hour on 2<sup>nd</sup> October) or miss one hour of our next meeting – most of my clocks automatically adjust – so check that yours are correct.

Unfortunately, we do not have a Vice President, or a second Vice-President able to step up at this stage. I have spoken to a number of members who have declined, and nobody has volunteered to take over the reins. I am still approaching members, asking them to seriously consider the job. Reading through the 'Man Behind the Badge' file I notice that we have many members who are equally capable of being President for only one year – please give it some thought and call me to discuss – in confidence, - if you wish.

The future of the Probus Club of North Balwyn is in **YOUR** hands.

## TREASURER'S REPORT:

Club Funds at 30 September are \$4,090 excluding SIG finds of \$318 and unspent transport grant money of \$460 which we may have to return to Council. We have incurred a loss of \$111 to 30 September which is in line with our expectations.

Members were advised earlier in the year that Neil will be stepping down as Treasurer at the next AGM after 9 years in the role. We desperately need a member to take on the role. Our records are now online so whilst you will need access to a computer you do not require any accounting software. It is a simple system and Neil will always be available to assist. Please let him know if you are interested, bearing in mind that the Club cannot function without a Treasurer.

## SECRETARY'S REPORT:

Nothing specific to report. Any correspondence relevant to members is distributed by email as received.

As with the Treasurer noted above, both Neil Smart and John Thwaites agreed to take on joint responsibility for the role on a temporary basis and will not continue past the next AGM. If a member does not come forward to take on the role, the Club will in all probability, have no Treasurer and no Secretary, which effectively means it cannot continue to function.

## MEMBERSHIP:

Current membership is a total of 58 members, (47 active and 11 non-active members) with our Associates being 13.

- **Helen Courtney** has been added to the Associates List.
- **William Firth-Smith** and **Christopher Murray** have lodged applications to join the club.
- **Joan Martin** passed away in September. Our thoughts are with the family at this time.
- **Bruno Coniglio's** resignation has been reluctantly accepted by the committee. His contribution to our club has been acknowledged and we wish him well in his future journey.

Please provide your stories/photos to WEBSITE EDITOR & IT SUPPORT by email at manser@bigpond.net.au  
Let us all get our thinking caps on and add to the interesting stories or excursions already on the website.

### **SPECIAL INTEREST GROUPS**

- **FAMILY HISTORY & HERITAGE GROUP: Second Monday in the Month. Convenor Graydon Findlay  
P: 9859 6964 E: [graycol7@bigpond.com](mailto:graycol7@bigpond.com)**

Our next meeting will be on **Monday 10th October**. It will be via zoom and will run from about 10.45 to noon. The Family History part will be for about an hour from 11.00 - noon. The 15 minutes prior to that will be available for welcoming people to the meeting, and for participants to chat and catch up with what others have been doing since our last meeting.

The main topic on Monday 10<sup>th</sup> of October will be a presentation on the Wentworth / Williamson branch of Colette's family tree. It will expand on a segment of the Wentworth family history that some of our members were told about during the Walking Group's enjoyable walk last month. The presentation will include a lot of other information that Colette had discovered 20 years ago about this branch of her family tree. Recently, Graydon found images of some of the original Wentworth / Williamson family history paper records by looking up 'Public Member Family Trees' on the huge 'Ancestry' database. He also used Trove Newspaper searches to discover quite a few interesting snippets about the family history that enhance the information Colette had found.

These two methods of researching family history have improved vastly over the last ten or 15 years, so if you if you have dabbled with family history in the past, it could be worth giving it a go again. You might be pleasantly surprised at how much more you can discover now.
